

Exam Preparation Instructions

Radiofrequency Ablation

Following are the preparation instructions for your procedure. If you have any questions regarding these instructions, please contact Invision Sally Jobe at 720-493-3406.

- Stop taking blood-thinning medications 3-5 days before the procedure (contact your doctor first to ensure it's safe).
- Do not eat or drink anything but clear liquids for 8 hours before the procedure; do not drink anything for 4 hours before the procedure.
- Prepare for an overnight stay in the hospital.
- Arrange for someone to drive you home from the procedure.
